## PREFACE.

---

These pages do not pretend to be more than the jotting down of a few notes on some of the diseases of the Rectum and Anus. They are written, primarily, for the use of the Members of the Society of Medical Phonographers, in the hope that they may help to improve their knowledge of Shorthand, and perhaps, here and there, present old matters in a new light. To Dr. Spooner, as Editor, the Society and I owe our thanks for his excellent work.

W. THOMSON.
